

LINEAR HIGH BAY

Product Information

The Linear High Bay is purpose-built for large racking storage warehouses, offering versatile lighting solutions with multiple beam angles and flexible mounting options to suit various application needs. Its Plug & Play connector allows for fast, hassle-free wiring, significantly reducing installation time and labor costs. This efficient, adaptable luminaire is the ideal choice for industrial environments, delivering both high performance and ease of use.

Product Feature

- Plug & Play Connector;
- Multiple Beam Angles Options;
- Flexible Mounting Options;
- Dali, 1-10v dimmable, Motion Sensor Options;
- IP65 IK10.

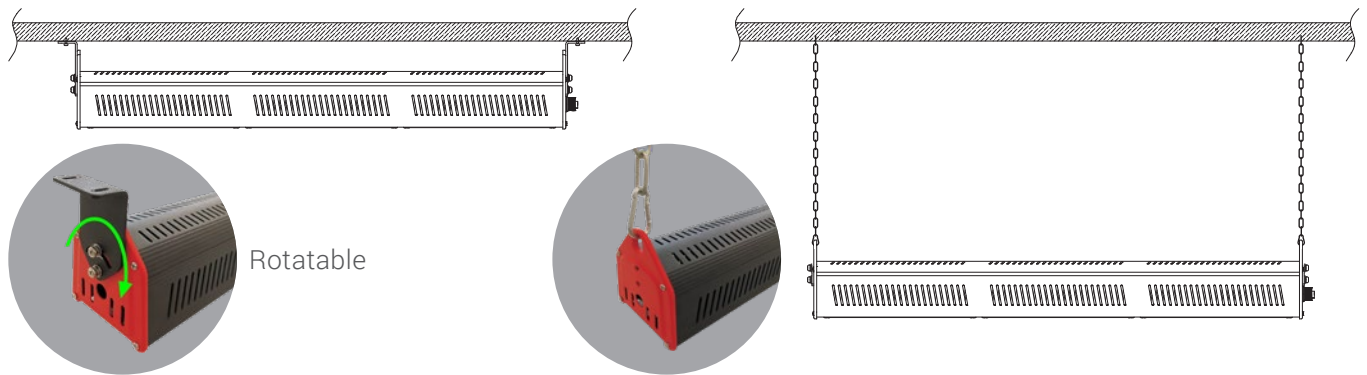

Datasheet

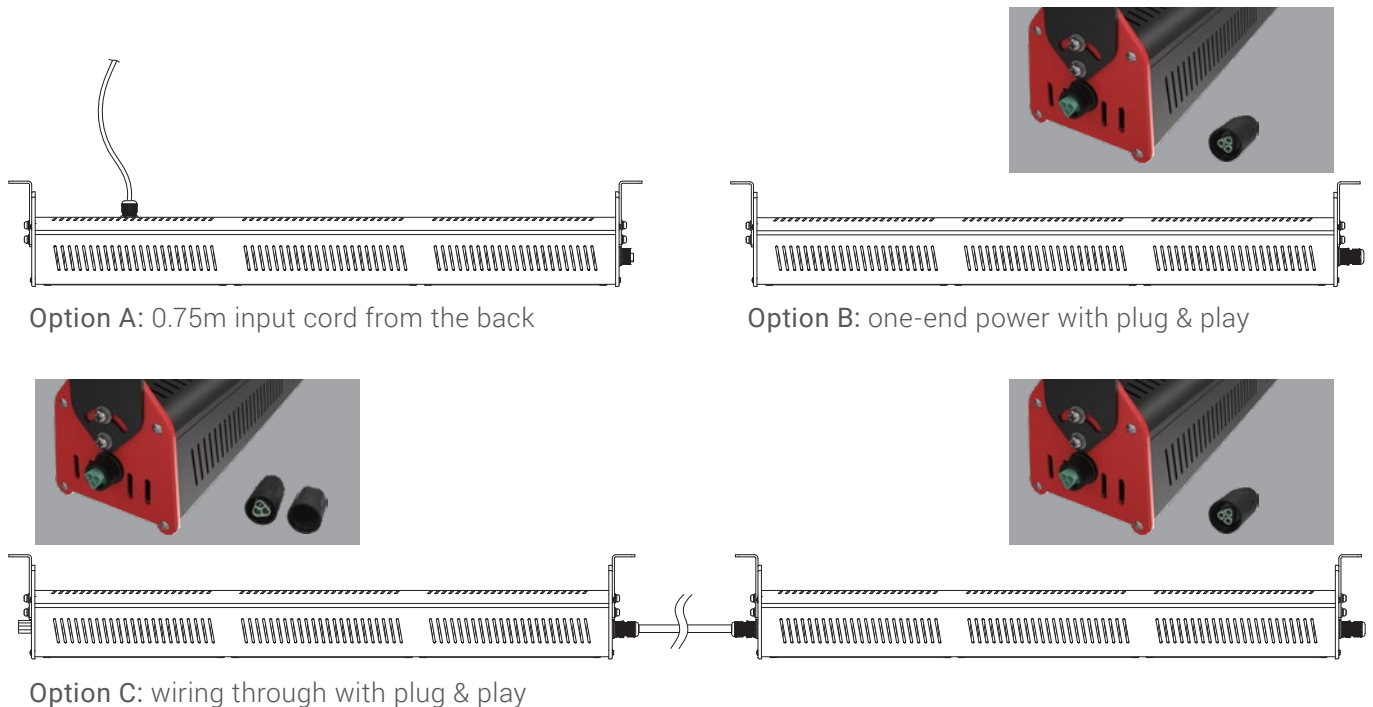

| | | | | |
|----------------------------|--------------|--------------|--------------|--------------|
| Product Code | LS100WLHB | LS150WLHB | LS200WLHB | LS240WLHB |
| Dimension (LxWxH) | 2Module 0.6M | 3Module 0.9M | 4Module 1.2M | 5Module 1.5M |
| Power Consumption | 100W | 150W | 200W | 240W |
| Luminous Flux(Milky Cover) | 13,5 00LM | 20,250LM | 27,000LM | 32,400LM |
| LED Quantity | 112PCS | 168PCS | 224PCS | 280PCS |

| | | | |
|--------------------|------------------------------|---------------|-----------------------|
| Luminaire Efficacy | 140LM/W | Input Voltage | 100-277Vac |
| LED Brand | Lumileds 3030 | Power Factor | >0.95 |
| CRI | 80+ | Working Temp. | -20°C~+45°C |
| CCT | 4000K /5000K/5700K | IP Rate | IP65 |
| LED Lifetime | L ₇₀ >150, 000hrs | Certificates | SAA, C-Tick, CE, RoHS |
| Driver | MEAN WELL | Warranty | 5 Years |
