- Warning!** Switch off the mains power before installation.

1

Unfold the LED fixture.

2

Take out the accessories from bags.

3

Connect mounting clips with steel ropes.

4

Snap mounting clips into fixture rails.

Hook steel ropes with ratchet hangers.

Place the LED driver box onto the LED fixture.

Fix the LED driver box with the knob screws.

Link the male & female connectors of DC cables and twist them tightly.

Follow the correct direction to connect the AC power cord with driver box.

Push the AC power plug into wall outlet.
